## Role of Academic & Administrative Audit in Quality Enhancement

**Date:** 9th - 10th March 2023

**Venue:** Perioseminar Room , GSL Dental College & Hospital, Rajamahendravaram.

**Organized by:** IQAC Committee, GSL Dental College & Hospital

No: of participants : 69

### **Report on the event :**

The "Role of Academic & Administrative Audit in Quality Enhancement" program was a two-day initiative organized by the **IQAC Committee of GSL Dental College**. The event emphasized the importance of audits in improving institutional quality and aligning academic and administrative functions for holistic development. Programme inaugurated by Dr. G.Sunil introducing speaker . **Sri R.K. Chaitanya, CA Consultant, GSL Educational Society**

**Sri R.K. Chaitanya** emphasized the need for quality audits in education. Highlighted the significance of regular academic audits to maintain and improve educational standards.

- Discussed how administrative audits enhance institutional efficiency and governance. Explored the synergy between academic and administrative audits to achieve institutional goals.Explained the role of data-driven approaches in audit processes.
- The program's focus on the synergy between academic and administrative audits emphasized their collective impact on institutional effectiveness and excellence. Participants appreciated the practical relevance of the content and expressed confidence in applying the knowledge to improve their institutions' quality frameworks.
- The valedictory session marked the culmination of the event, leaving attendees equipped with actionable strategies to implement robust auditing practices. This initiative by the IQAC Committee at GSL Dental College reinforced the institution's commitment to fostering quality and innovation in education and administration.

## Innovative Practices for Quality Enhancement

**Date:** 9th - 10th May 2023

**Venue:** Perioseminar Room , GSL Dental College & Hospital, Rajamahendravaram

**Organized by:** IQAC Committee, GSL Dental College & Hospital

No: of participants : 69

### **Event Overview:**

The "Innovative Practices for Quality Enhancement" program, organized by the **IQAC Committee of GSL Dental College**, focused on integrating modern strategies to enhance educational quality. This two-day event provided a platform for discussing innovative teaching methods, technological advancements, and collaborative approaches. The event commenced with an inaugural ceremony led by Dr. G. Sunil followed by a brief introduction of the esteemed speaker "**Dr. S. Koteswari, Professor, BVC Engineering**".

The program began with an inaugural session of speaker **Dr. S. Koteswari**, led by the IQAC team, emphasizing the importance of innovative practices in education.

- The sessions on the first day covered topics such as technology integration for quality enhancement in education, competency-based education as an innovative practice, flipped classrooms revolutionizing teaching and learning, and the role of collaborative learning and peer teaching.
- The second day included discussions on interactive learning tools, the application of artificial intelligence and automation in administrative processes, and a dedicated interactive session for participants.

The program concluded with feedback collection, certificate distribution, and a valedictory session. Speaker highlighted innovative strategies and tools to enhance the quality of education, making the event a successful quality initiative by IQAC.

## Research Methodology - Introduction, Sampling Design, and Data Collection

**Date:** 10th - 11th July 2023

**Venue:** Arundhati Hall-2, GSL Dental College & Hospital, Rajamahendravaram

**Organized by:** IQAC Committee, GSL Dental College & Hospital

No: of participants : 69

### Event Overview:

The "Research Methodology" program, organized by the **IQAC Committee of GSL Dental College**, aimed to provide participants with a comprehensive understanding of research design, sampling techniques, and data collection methods. This two-day workshop emphasized practical skills and ethical considerations for conducting robust research in academic and clinical settings. **Dr. I. Ranganayakulu**, Coordinator, IQAC inaugurated ceremony by introducing **Dr. Sushanth Mishra**, HOD, Community Medicine, GSL Medical College

**Dr. Sushanth Mishra** commenced with an opening session, underscoring the importance of methodological rigor in research.

- Covered the principles and approaches for selecting representative samples in research. Discussed effective strategies for gathering accurate and reliable data.
- Explored various sampling methods, including random and non-random techniques. Addressed the ethical guidelines and responsibilities in research practices.

The feedback highlighted the program's relevance in addressing contemporary research challenges and emphasized its contribution to strengthening participants' methodological competence. The event concluded with a valedictory session, reiterating the significance of robust research practices in achieving academic and professional excellence.

This program serves as a cornerstone in building capacity for quality research, reflecting the commitment of the IQAC Committee at GSL Dental College to fostering innovation and excellence in education and research.

## Feedback System & Analysis

**Date:** 12th - 13th September 2023

**Venue:** Arundhati Hall-1, GSL Dental College & Hospital, Rajamahendravaram.

**Organized by:** IQAC Committee, GSL Dental College & Hospital

No: of participants : 71

### OVERVIEW:

**Feedback System & Analysis** program was a two-day event organized by the **IQAC Committee of GSL Dental College & Hospital**. The program aimed to enhance understanding and implementation of feedback mechanisms within academic institutions, fostering a culture of continuous improvement. The event commenced with an inaugural ceremony led by Dr. G. Sunil followed by a brief introduction of the esteemed speaker **Dr.Ganapathi, Professor of Biostatistics, GSL Medical college and Hospital**.

**Dr.Ganapathi , Professor of Biostatistics addressed gathering with following keypoints**

- Discussed the role of feedback in enhancing learning outcomes.
- Covered various models for structured feedback.
- Explored the use of technology to improve feedback processes.
- Participants engaged in discussions and clarified doubts.
- Integration of technology to enhance feedback mechanisms.
- Opportunities for networking and collaborative learning.

Participants shared perspectives on feed back system and analysis. The program also facilitated meaningful discussions, collaborative learning, and networking among participants, paving the way for future initiatives aimed at continuous improvement in academic practices. The event concluded with a renewed commitment to fostering a culture of quality and excellence in education through effective feedback mechanisms.

## Interactive Simulation Training

**Date:** 16th - 17th November 2023

**Venue:** Arundhati Hall-1, GSL Dental College & Hospital, Rajamahendravaram

**Organized by:** IQAC Committee, GSL Dental College & Hospital

No: of participants : 72

### Report on the event :

The "Interactive Simulation Training" program, organized by the **IQAC Committee of GSL Dental College**, focused on integrating cutting-edge technology such as Augmented Reality (AR) and Navigation Dentistry into dental education and practice. This two-day training offered participants hands-on experience with AR devices and demonstrated navigation technologies for dental procedures. IQAC Chairman inaugurated session by introducing speaker **Mr. Emmanuel Felix Lespron, Global Marketing Manager, EPED Inc.**

Speaker **Mr. Emmanuel Felix Lespron**, addressed the gathering regarding growing importance of technology in dentistry. This two-day event offered participants an exceptional opportunity to gain hands-on experience with advanced tools, enhancing their skills and understanding of modern dental practices.

- The sessions highlighted the potential of AR and navigation technologies in improving precision and outcomes in dentistry. The live demonstrations and interactive hands-on activities empowered participants to visualize and implement these innovations in real-world scenarios.
- The feedback from participants underscored the relevance and value of the program in bridging the gap between traditional and technology-driven dental education. The event concluded with a valedictory session, reflecting on the significant advancements covered and reiterating the commitment of the IQAC Committee to fostering innovation in education.
- This initiative marks a significant step towards integrating advanced simulation techniques into dental education, setting a benchmark for quality and excellence.

## "Know Law, No Flaw"

Date:28.12.2023;29.12.2023

Venue: Arundhati Hall-2, GSL Dental College

### Organizing Team

- **Chairman IQAC:** Dr. G. Sunil
- **Coordinator IQAC:** Dr. I. Ranganayakulu
- No: of participants : 73

### Overview

The two-day programme, "*Know Law, No Flaw*," organized by the IQAC Committee of GSL Dental College, focused on increasing legal literacy among medical professionals. It addressed crucial topics such as medical malpractice, ethical practices, legal issues in clinical trials, and the role of medical boards, aiming to empower participants with the knowledge to navigate legal challenges effectively. The event commenced with a formal inauguration, followed by an introduction of the esteemed speaker, **Advocate Ch. Prabhakar**.

**Sri Ch. Prabhakar** addressed the gathering with the following keynote points in a 2 day programme.

- Discussed the significance of understanding basic laws and their impact on daily life.
- Explored individual rights, with a focus on patient and practitioner protections.
- Covered scenarios of malpractice and the legal frameworks surrounding them.
- Highlighted the role of ethics in maintaining legal compliance.
- Explained the regulatory processes in healthcare.
- Focused on compliance in research activities.

Participants shared perspectives on legal challenges faced in the medical field, creating a collaborative learning environment. Feedback highlighted the relevance and clarity of the sessions. The event concluded with certificate distribution and a vote of thanks to the speaker, organizers, and participants. The programme was well-received, enhancing the participants' understanding of legal principles and their applications in the medical profession. It underscored the necessity of legal literacy for maintaining professional and ethical standards.

## Programme on Evaluation in Teaching-Learning Process

**Dates :** 8<sup>th</sup> , 9<sup>th</sup> January 2024

**Venue:** Arundhati Hall-2, GSL Dental College

No of participants : 71

**Organizing Team :** Chairman IQAC: Dr. G. Sunil , Coordinator IQAC: Dr. I. Ranganayakulu

The programme titled "**Evaluation in Teaching-Learning Process – Concept, Need, and Characteristics**" was successfully conducted as a quality initiative by the IQAC Committee of GSL Dental College & Hospital. The two-day event aimed to enhance understanding of evaluation methods, address challenges, and explore innovative practices in the educational domain. The event began with an inaugural session followed by a warm welcome to the distinguished speaker, **Dr. Sushanth Mishra, HOD, Community Medicine.**

**Dr. Sushanth Mishra, HOD,** addressed the gathering with following keynotes in the lecture in a 2 day programme.

- Importance of evaluation for continuous improvement in education.
- Discussion on transparency, consistency, and adaptability in evaluation methods.
- Focused on modern approaches, including technology integration.
- Identification and mitigation strategies for common barriers.
- explored the role of evaluation in diverse classrooms.
- emphasized international trends and benchmarks.

Participants engaged in lively discussions, sharing their experiences and challenges in evaluation processes. Feedback collected highlighted the programme's relevance and impact. Certificates were distributed, and the session concluded with acknowledgments to organizers and participants .The programme was lauded as an insightful and enriching event, fostering professional development and collaboration

## Programme on "Unnat Abhiyan Gender Sensitisation: Equality Has No Gender"

**Dates:** March 8-9, 2024

**Venue:** Arundhati Hall-2, GSL Dental College.

No of participants :

The two-day programme, organized by the IQAC Committee of GSL Dental College, was held to promote awareness and understanding of gender equality across various domains. It aimed to address stereotypes, advocate for sensitization in education and workplaces, and highlight the importance of inclusivity in public spaces.

The event commenced with an inaugural ceremony, followed by an introduction of the esteemed speaker, **Dr. Pavani Bhesetty, Coordinator, Regional Coordinator Institute, UBA, Andhra University.**

### Dr. Pavani Bhesetty enlightened the participants with following sessions

- Focused on basic concepts and the significance of sensitization efforts.
- Explored the societal and individual effects of gender-based biases.
- Highlighted inclusive practices in educational settings.
- Discussed strategies for creating equitable and inclusive work environments.
- Advocated for gender-equitable policies in public spaces.
- Identified obstacles and outlined actionable strategies for long-term impact.

Participants actively engaged in discussions, shared personal experiences, and provided constructive feedback on the programme. Certificates were distributed to the attendees, and the session concluded with acknowledgments to the organizers, participants, and the speaker. The programme was lauded for its comprehensive coverage of gender sensitization topics. It successfully raised awareness, inspired proactive measures, and reinforced the commitment to achieving gender equality in all spheres.
